

Store Settings

In the vendor dashboard settings, vendor can easily customize his/her store. And vendors can setup online store based on his/her settings that Dokan permits him/her to do so.

So let's see the options that vendor will get in the vendor dashboard settings:-

What is a store?

Store is the place where vendors will showcase all his products in an interactive design. From the store a customer will get vendor's product, contact information, store location, and all other information in one view. Vendors will see the page by navigating to Vendor Dashboard → Visit Your Store .

Store Settings

Store banner will represent vendor products concept by one big image. Vendor could use a good visual interactive image to grab the attention of customer. Vendor will set the image from **Vendor Dashboard** → **Settings** → **Store** page.

For better contact between vendor and customer store settings has contact information insert form combined of phone number, email address, physical location information, biography and location map.

Update Settings

Using **Dokan Free 2.8.6**, vendors schedule opening and closing hours for their online stores.

This feature is available in **Vendor Dashboard**→**Settings**→**Store**.

Scroll down to find the widget for **Store Opening-Closing Time**.

For each day of the week, select from the drop-down Open or Close. If Open, select the duration from the numeric fields.

Click on **Update Settings**.

Store Opening Closing Time	Sunday
	Close
Monday	Open 10:00 AM 8:00 PM
Tuesday	Open 10:00 AM 8:00 PM
Wednesday	Open 10:00 AM 8:00 PM
Thursday	Open 10:00 AM 8:00 PM
Friday	Open 10:00 AM 8:00 PM
Saturday	Close

Store Open Notice: Store is open now! ←

Store Close Notice: Sorry, we're closed! ←

With the Dokan version 2.9.11, vendors can write about them in the **Biography** option.
